## WYOMING PRIDE

### UW Alumni Association

Take a moment, sit back, and think of the fond memories from your college days at the University of Wyoming. As alumni, we all have special memories of our UW experience: academics, sports, activities, arts, and friends. We cherish these memories.

UW is a first-class research institution that delivers quality, affordable education, Division 1-A sports, cultural events, and much more. We are proud of our alma mater's past, its traditions, and its future.

We ask that you show your Wyoming pride by joining the UW Alumni Association. Your membership allows us to advance the university's mission, support current students, represent alumni, and foster fraternity among former students.
